

Welcome to the Cancer Expert Now family!

We care about the health of you and your family. When you or your family members are in need, we can connect you to the world's top oncologists.

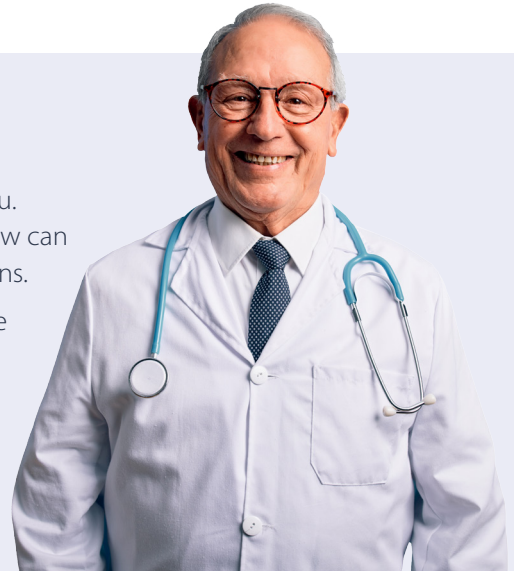

LEARN ABOUT US IN 9 SIMPLE QUESTIONS:

1. What is Cancer Expert Now?

If you or a family member is diagnosed with cancer, we are here for you. We know that getting cancer is scary and confusing. Cancer Expert Now can help you feel more confident and in control of your healthcare decisions.

Cancer Expert Now matches you and/or your family members with the best, world-class expert based on cancer type. Our expert will review your case in detail and talk with you about:

- Your cancer diagnosis or prognosis
- Your treatment options
- Your next steps

2. How do I contact Cancer Expert Now?

3. Who can use this benefit?

You and your...

- Partner or spouse
- Children
- Parents
- Parents-in-law

4. How can Cancer Expert Now help me and my loved ones?

With Cancer Expert Now, you can feel at ease knowing you are receiving the best care. Our experts give you the most accurate and up-to-date information for your type of cancer. After meeting with our expert, you will feel:

- More knowledgeable about your diagnosis and treatment options
- Confident and in control of your health
- Empowered to take the next step

Cancer Expert Now is intended to support your treatment and care discussions with your treating physician.

5. When should I or my loved one reach out to Cancer Expert Now?

You can contact Cancer Expert Now at any time in your cancer journey. Many people reach out to us to:

- Get an expert opinion on a treatment option
- Ask questions about their diagnosis or prognosis
- Prepare for an upcoming visit with their doctor or surgeon

6. Who are your experts?

Cancer Expert Now has over 700 world-renowned experts. Each expert is at the top of their field in cancer care, treatment, and/or research.

7. How does Cancer Expert Now choose which doctor will speak with me?

You will always speak with an expert who specializes in your cancer type. Our team reviews your case in detail and runs a “smart match” to make sure that you are connected to the best expert for your case.

8. Is my data secure?

Your privacy and security are extremely important to us. Any health information you share is secured behind our proprietary, HIPAA-compliant web portal.

9. Are there any limits on my usage?

There are no limits if you are covered by your employer. You may use Cancer Expert Now as often as you need.
