

A VIRTUAL CANCER SOLUTION FOR EVERYONE

IMPROVE HEALTH. REDUCE COSTS. CREATE CHANGE.

Cancer remains a pervasive and costly condition.

Every 30 seconds
someone is diagnosed with cancer in the United States

~45% of people diagnosed with cancer
are between ages 20 - 64 years old

Cancer is the #1 and #2
driver of high-cost claims year over year

Cancer rates are expected to grow 45%
from 2014 to 2030

Cancer is our specialty.

Cancer Expert Now is an award-winning service that connects your employees (our members) and their family with world renowned cancer experts.

Members can speak with a top-tier expert who specializes in their specific cancer type over a secure audio or video call.

Members will receive guidance on their cancer case and move forward with improved clarity and confidence on their next steps.

Benefits with Cancer Expert Now:

Rapid and accessible virtual expert connections

A seamless, secure, virtual connection from the comfort of home

Sub-specialist matching for all cancer types

Personalized care with smart-match technology for the right expert connection

High-touch support for every member
Exceptional step-by-step support from a dedicated care navigator

...and much more!

We take cancer personally.

We make it our goal to enhance patient access to expert oncologists and hematologists, reduce care costs for patients and employers, and improve health outcomes. At Cancer Expert Now, we believe everyone deserves to make confident cancer care decisions.
